Dear Becky,

Congratulations on your new position at Venice Community Housing Corporation (VCHC). As someone who grew up in the Venice/Culver City area and went to Venice High School, I can't think of a better person to lead VCHC given the current challenges facing the neighborhood. Please let me know if there's anything Little Tokyo Service Center or I can do to be of help.

I also wanted to thank you for VCHC's ongoing support of the Venice Japanese American Memorial Marker (VJAMM) and the committee's efforts to commemorate the unconstitutional round-up of Japanese Americans in Venice during World War II. Once constructed, the Marker will provide an opportunity to educate others about an important, and too often forgotten, example of racial injustice in our history.

Thank you again for supporting such a great project. LTSC is in full support of the VJAMM, so please let me know if we can ever be of assistance.

Best regards,

Dean Matsubayashi
Executive Director
