

Certificate of Appreciation
is hereby presented to

Phyllis Hayashibara

On behalf of the City of Los Angeles, it is a privilege to recognize your contributions to build the Venice Japanese American Memorial Monument. Your exemplary efforts as a member of the VJAMM Committee ensure that we will always remember the spot where thousands of people of Japanese ancestry assembled before their forced relocation to Manzanar during World War II. As we commemorate the 75th anniversary of internment, VJAMM is a prescient reminder for us, as a people, to be vigilant about defending our rights. Thank you for putting neighborhoods first, which makes our City a better place in which to live.
