Venice Japanese American Memorial Monument Committee

for your dedicated volunteer service over the past seven years, and your partnership with the Board of Public Works, through the Adopt-A-Median Program, to successfully build and install a permanent memorial monument to honor Americans of Japanese ancestry. This monument, dedicated on April 27, 2017 in the community of Venice marks the spot where over 1,000 persons of Japanese ancestry assembled before their forced relocation to Manzanar War Relocation Center.
